### COACH LEWIS PLAQUE DEDICATION...

In August a bronze plaque was dedicated at the entrance to Bob Lewis Stadium in his memory. It lists all his WHS coaching records and ends with...“This plaque is dedicated to the memory of “Coach” for all that he meant to the thousands of lives that he touched – players, parents, fans and community.”

### GO GREEN WITH THE ECHO...

Kudos to Ann Wiggers Verhaeghe '65 for her “Go Green” efforts. At this year’s Class of 1965 reunion Ann collected emails from each of her classmates who agreed to receive the ECHO by email! That was over 40 people. Please go to our web site and email us that you want to receive your ECHO by email. You get the ECHO more quickly, and the photos are in color. There is also a box you can check on the dues form - so send in your dues and check the box. Thank you!

### PRESIDENT'S LETTER...Jon B. Boss, Class of 1954

In my Spring 2010 Letter I spoke about the extraordinary work former WHSAA trustee and officer Sherry Sheffield has done on behalf of your Alumni Association over the past two plus decades. In this issue, I am introducing you to several of those new trustees who have joined one of the Board’s 3 “classes” in the past 24 months. New trustees in the Class of 2011 are Angela Mouch Edmonds ('89), George R. Lewis ('00), and Steve Lohman ('78). New in the Class of 2012 are Vanessa Gentry ('73), who now serves as our assistant treasurer, Judith Feigelson Levy ('72) who serves on the Nominating and Bylaws Committees, Andy McDonald ('56), Shelley Brown Komrska ('87), and Ann Wiggers Verhaeghe ('65), our new treasurer. New in the Class of 2013 are Greg Lewis ('72), Julie Hart Turner ('74), our corresponding secretary, Erika Wirtz ('04), and Chris Woodside ('97). We are delighted with the range of experience and enthusiasm our Trustees bring to the Board’s work on behalf of each of you, our alumni brothers and sisters. Please feel free to contact them, or any of us, with your ideas as to how we can build a stronger and more effective alumni association.

An example of a “more effective association” might be to connect current Wyoming High School teachers with alumnus who would be willing to work to design classroom activities that would give current students the benefit of some real-world experience. We don’t have an answer yet on how to provide such “connections,” except maybe by an article in *The ECHO*, but this has raised our interest in exploring new avenues for such connections. Further down the road, were we to have a much larger data base with alumni e-mail addresses, we could provide more timely “connections” including the less expensive, and more environmentally friendly, distribution of *The Echo*.

One way you can help us continue to “connect” with one another is by being a member of the Wyoming High School Alumni Association, or if already a member, renewing your membership before the end of the year. Consider, too, purchasing a Graduation Walkway Brick. For the details on how you can join or renew your membership in the Association, and/or buy a brick, see page 7 of this issue of *The ECHO*, or go to [www.wyominghighschoolalumni.com](http://www.wyominghighschoolalumni.com).

Bring us up-to-date on your life. Please send your letters to the alumni association at P.O. Box 15068, Cincinnati, OH, 45215-0068 or email to [info@wyominghighschoolalumni.com](mailto:info@wyominghighschoolalumni.com) Deadline for the next issue is April 1st.

## LIFETIME MEMBERS...

Since our last issue we have welcomed the following people into Lifetime Membership: Linda Schwemlein Sutton '69, Bill Ward '72, Lori Rosenthal Kozlove '79, Laura Marver Chisholm '88, Rebecca Linscott Wallick '88, Valerie Edgington '02.

## CORRECTIONS

In the "In Memoriam" column of the Spring edition of the ECHO it stated that David Jones was the class of 1953. He actually graduated with the great class of 1959. Also, the photo of Albert Richardson, his two sisters and, Murray Reed had two errors in the text: Mary Lee's Wyoming HS class ('54) was omitted, and Annie Lou's correct class is Aux '39.

## WYOMING 'STUFF'...

We often get requests as to where people can buy a Wyoming sweatshirt etc. The answer is **Wyoming on the Avenue**, owned by Susie Fegelman, wife of Elliot '78. **Wyoming on the Avenue** is your alumni connection for Wyoming spirit wear apparel and merchandise! They can mail order gifts, order bulk for your reunions and offer fun memorabilia of your days in Wyoming. It is located in the Wyoming business district directly across from the bakery, and is open Tuesday - Friday 10-6, Saturdays 10-4. Call the store and ask for Susie, 513-761-4495 or 513-604-5754. Look for their online store soon.

### WYOMING EXCELS ...

It never fails to instill a sense of pride when you hear about the achievements made by WHS.

Wyoming High School is ranked in the top 100 public high schools in the nation by Newsweek. Based upon advanced placement courses and tests, the school is listed as 77th.

The 2009-10 State Report Card indicates that the district's performance index score is 110.4, the second highest ranking in the state. The district is once again rated as EXCELLENT WITH DISTINCTION.

### MEET OUR TRUSTEES...

Let us introduce you to four of our new trustees.

**Greg Lewis '72**  
I attended Wyoming Public Schools beginning in kindergarten and graduated from WHS in 1972. I next graduated from University of Cincinnati in 1976 and Capital University Law School in 1979. I have been employed by Cincinnati Financial Corporation since 1979. My current title is Counsel and Deputy General Manager, Legal Department--Trial Division. I am married to Sue Lewis and both of our children graduated from WHS (George in 2000 and Lindsey in 2003). My hobbies include spending time in Michigan, boating, yardwork and occasionally golf.

**Julie Hart Turner '74**  
I attended Miami University and graduated with a degree in Business Administration and a double major in Marketing and Management. Have been married to my wonderful husband Tom for 26 years. Worked for 9 years in sales and marketing for construction related products before starting our family and becoming a stay at home mom. My son, Scott (WHS in 2005), is an engineer for Cargill, and is recently married and living in Chicago. Our daughter, Ann (WHS 2008), is a Junior at Wheaton College (Illinois) majoring in Applied Health Science and playing for the women's soccer team. When we aren't traveling to Chicago to watch soccer and visit our children, we enjoy following Wyoming sports. I also enjoy walking, church related activities, serving on the Promote Wyoming Committee, reading, and cooking.

**Chris Woodside '97**  
I graduated from the University of Kentucky in 2001 and earned my Juris Doctorate from Chase College of Law in 2006. I currently serve as Associate Director of Development at the Cincinnati Art Museum. My wife Katie and I recently moved back to Wyoming. Katie is an Assistant Prosecutor with Hamilton County.

**Erika A. Wirtz '04**  
I graduated from Miami University in 2008 - Bachelor of Arts in Political Science and Bachelor of Science in Marketing. I am currently employed at Procter & Gamble. My Hobbies include spending time with family & friends, traveling, playing indoor soccer, and blogging.

### HATS OFF TO...

Carol "Keenie" Clark Johnson '46 has been selected for induction into the LPGA Teaching and Club Professional Hall of Fame. Induction will take place next year.

## REFLECTIONS

### **David W. Peck '57**, Wyoming, OH

David received the John P. Kiely Professionalism Award from the Cincinnati Bar Association at its annual meeting in May. He graduated from the Salmon P. Chase College of Law in 1966, and practices with Rendigs, Fry, Kiely & Dennis in Cincinnati.

### **John Youngblood '61**, Statesville, NC

Well, guess it is time to "surface". Class of 1961' ya know. I really need to become a "lifetime" member. I might do that sometime soon. When I saw Dan Wolfe's picture I realized that a whole lot of water has gone over and under the bridges and dams. Also, I was good friends with "Mr. Roman". I will email him tonight. If anyone sees Dan; ask him if he remembers John Youngblood. There was and always will be a "special person" I often think about at Wyoming. If I can somehow know how she is doing that would be great!!! Anyway, yep; start the webmail for the newsletter, and I just may send a check.

### **Lois Thomas Evensen '62**, Cincinnati, OH

I want to be in the chorus of voices to thank Sherry Sheffield for all she has done and continues to do for the Wyoming Alumni Association. It was Sherry who 'discovered' me as a missing (I didn't know I was missing) alum many years ago as I walked through a building downtown on the way to my office. I'm so glad she did because I have truly enjoyed seeing and hearing from so many friends from Wyoming days.

I also have to put in a plug for receiving the ECHO via email. My husband and I are at sea, where he works, so it would have taken much longer to for to get the ECHO via snail mail. Yes, I still would have gotten it thanks to my wonderful daughter who sends us our mail twice a week, but email is not only faster, it saves so much money on paper and postage to receive it this way.

Sorry we didn't make it to the Round-Up this year. We'll still be at sea through June 11, and then home briefly before moving to a different ship and itinerary.

### **Phil Weyman '64**, St. Louis, MO

...I have been practicing interventional radiology at St. Luke's Hospital in Chesterfield, MO (suburban St. Louis) for the last 22 years. There is quite a Cincinnati contingent at our hospital, three of whom happen to be WHS grads. Although our graduation dates are separated by more years than I choose to think about, it is fun to share some memories of Wyoming now and then. Between us I think we span about twenty years of WHS history. In addition to myself, the physicians on staff include Bill Houck '73 (OB/GYN) and Andy Youkilis '86 (Neurosurgery).

### **Pat Senne Santos '65**, Sao Paulo, Brazil

I want to thank you for being so helpful during the «saga» to find me. Alan (Schwemlein) should be awarded for his perseverance. I had a wonderful time at the reunion and loved seeing most of our good friends and especially that moment we passed by your house hoping you'd be there and there you were! Mary Murrill North (who e-mailed you for info on me) was an exchange student from West Virginia who lived in our house in Brazil in 1964 and I've already sent her an e-mail with some catching up. We're planning a micro-reunion (Harriet, Alan and a few others) at my house on the beach in February 2012. You're welcome to come as well. Gotta go see the many pictures Alan sent us from our reunion.

(Note: Pat was an AFS student at Wyoming graduating in 1965. This summer's return for her 45<sup>th</sup> reunion was the first time she has been back here or to the states since then.)

### **Mark Sheehan '67**, Highlands Ranch, CO

I attended Wyoming High School and graduated in 1967. I met my future wife, Linda Stevenson, at Wyoming where we dated, and were married in 1971. Linda graduated from Ohio University and I graduated from Ohio State prior to attending Baylor College of Medicine. I have been practicing medicine as a Cardiologist in Denver since 1981. Linda is a special education teacher and paid for my way through medical school. She is presently very active with our church, the mental health community and volunteer activities.

Linda and I have 2 grown children, Chris and Laurie. Chris is a creative writer and song writer, and Laurie is an ICU nurse. I have been active in our church and am the Co-founder of the Christian Medical Ministry to Cambodia/Jeremiah's Hope ([www.cmmcjh.com](http://www.cmmcjh.com)). I am pleased to announce the publication of our book entitled "Healing Prayer on Holy Ground: A Cardiologist discovers God's presence in the Lives of his patients." I wrote this book with the assistance of my son Chris. Our website for more information on the book is available at [www.hpohg.com](http://www.hpohg.com). Linda's personal email address is [lasheehan@aol.com](mailto:lasheehan@aol.com). My personal email address is [shiekosu@aol.com](mailto:shiekosu@aol.com). I have enclosed a check for Linda and my support of the alumni Association. Go COWBOYS!

**Susan Von Barga Parker AUX67**, Delaware, OH

...In my letter for the Spring 2010 issue, a few words were left out. It is my daughter, who is in Chicago in graphic design and Marketing, not my husband. Thank you.

**Gayle Foertmeyer Putt '69**, Fayetteville, NC

I just want to brag on my kids because nothing I'm doing is noteworthy. Son, Adam (21) is a junior at the U of Dayton in mechanical engineering with a concentration in aerospace. He just returned home at the end of April 2010 after spending 15 weeks doing an internship at the NASA Glenn Research Center in Cleveland. He hopes to get a co-op position there for the summer as well.

My daughter, Emily (19), joined the Navy in Feb. 2010 finishing her boot camp at Great Lakes on April 2nd. She is now at Goose Creek, SC at the Navy Nuclear Power Training Command for about the next 2 years learning to do her job as an Electronics Technician in the «Nuke» program. Upon completion of her training, she'll be assigned to an aircraft carrier or possibly a sub since the Navy has recently reversed its ban on women serving on submarines. You go girl!

**Jim Barre '72**, Cincinnati, OH

Jim is retiring at the end of 2010 and a new replacement will be named soon. Jim has spent 35 years in education. Twenty Two at Norwood, and was Wyoming A.D. for thirteen years. Jim has a long list of accomplishments in his time at WHS. Among them: overseeing the Cowboys athletic program to win the Cincinnati Hills League Cup for the outstanding athletic program each year 2001 - 2010 and they are leading at this point this year. He also oversaw many new facility improvements starting with the renovation of the athletic field, new softball and baseball fields. Also added during his tenure were girls golf, varsity boys and girls lacrosse and varsity and reserve boys and girls bowling.

**Mark Pomeroy '75**, Wyoming, OH

After 35 years, I found it was time to move back to Wyoming. Now living at 512 Larchmont with wife Kim and son Joey, who is finishing as a 7<sup>th</sup> grader at WMS. Other 4 kids have moved on to college. Looking forward to connecting with old friends on "home turf".

**Mary Callison '04** El Paso, TX

Mary graduated from Miami University in December 2008 and is now enrolled in the International Business Ph.D. program at University of Texas-El Paso. Her academic concentration is accounting. Her major professor is Stephen Salter, formerly of Wyoming and father of Erin (2003) and Ashley (2006) Salter.

**Caitlin Wilkerson '04**, Wyoming, OH

I graduated from Wyoming High School in 2004, and went on to study communication at Wittenberg University. I am now back in Wyoming. My partner and I recently sold our business, WouldURather.com, to *Reach Magazine*. We are now in the process of starting another website which is still in the works.

**John Callison '06** Columbia, SC

John performed this summer with the Ohio Light Opera at the College of Wooster. He will graduate with a Bachelor of Music degree in vocal performance from the University of South Carolina in May 2011. This fall he sang the role of Jacob Marley in SC's production of "Mr. Scrooge" and is cast in major roles in the university's two spring opera productions. He will be the baritone soloist in two different performances of Camille Saint-Saens' Christmas Oratorio in December of this year. Spare time has him applying for grad school!

**Tiffany Handley '06**, Los Angeles, CA

I graduated from the University of Southern California in May of this year. I am leaving in January for an eleven month eleven country mission trip around the world called the World Race, and as far as I know, I am the first WHS alumnus to go on this trip. While on the World Race, I will be serving in nearly a dozen different ministry sites based on the needs of the people we will be living amongst. In Peru, I may be teaching English, in Haiti--helping to rebuild a broken nation, in Thailand--working to rehabilitate prostitutes, and in Tanzania-providing comfort and love to orphans dying of HIV/AIDS in an abysmal hospital. Also, I will be leading the only all-women's team and am the second youngest girl on the trip, so my leadership skills are about to be tested and refined! Find out more about the race, visit: [theworldrace.org](http://theworldrace.org). And I have a [personal blog](http://tiffanyhandley.theworldrace.org) for this trip ([tiffanyhandley.theworldrace.org](http://tiffanyhandley.theworldrace.org)).

### FALL SPORTS REPORT...Jim Barre '72

The fall sports season was once again a huge success. All eight teams finished either first, second or third in the league. The football team won the CHL title again this year and finished with a great 9-2 record. Many new passing and receiving school records were set over the past two years. The girls volleyball team also won the league title and the district title, going to the regionals for the first time in school history. The girls soccer team also won the district title for the 2nd year in a row. The girls cross country team won the CHL league championship while the boys team won the district title. We had one runner, Emily Stites, qualify for the state cross country meet. The cowboys' boys soccer team was ranked first in the city most of the season and had one of their best seasons ever.
